

Health & Safety Policy for SEAComm 2022 Conference

In preparation for our events, we want to share the following safety measures. We will continue to monitor these guidelines and will publish any updates as soon as they are made.

Guidelines and Requirements

- All attendees, staff, presenters, exhibitors, and invited guests will be required to wear a mask onsite in conference-designated programming areas. Masks will be available at the registration desk.
- **All attendees, staff, presenters, exhibitors, and invited guests will be required to show proof of vaccination OR a negative COVID-19 test taken within 72 hours upon check-in at the SEAComm Registration Desk.**
- Proof of vaccination can be in the form of your physical Vaccination Record Card (CRC) from the CDC or an image of the card on your phone, or a digital vaccination card if your State provides one. Additional information on obtaining your CDC vaccination card can be reviewed at [CDC Vaccination](#).
- Hand sanitizer stations will be available at the registration desk and throughout the main areas of the hotels.
- Responsible food and beverage service will be provided to minimize risk of exposure. Kona Kai Resort's proactive and diligent efforts in this area will be provided throughout the duration of the conference.
- Enhanced cleaning before, during, and after events will take place to ensure the highest standard of hygiene and cleanliness. This includes sanitization with a focus on high-touch areas such as door handles, restrooms and food and beverage areas.
- If you are feeling sick, have tested positive for COVID-19, are showing COVID-19 symptoms, or have recently been exposed to a confirmed or suspected case of COVID-19, please do not attend the event.

Liability Waiver

By registering for the SEAComm 2022 Conference, attendees assume all risks inherent in conference attendance and participation and must agree to the following terms. SEAComm cannot prevent you from becoming exposed to, contracting, or spreading COVID-19 while attending its conferences and/or entering onto premises where SEAComm's event is held. Therefore, if you choose to attend this conference, you may be exposing yourself to and/or increasing your risk of contracting or spreading COVID-19.

Cancellation Policy

If you are unable to attend due to a positive COVID-19 test, symptoms or exposure, we are offering a flexible cancellation policy and you will receive a full refund of your pre-paid registration fee. Please contact David Wright (david.wright@dsea.org) and Sandra Waltman (sandra.waltman@sdea.org) as soon as possible to advise us that you are unable to attend the event.

Please note that refunds will not be given for no-shows.
